Duty Disability Eligibility

Members are eligible for Duty Disability Retirement benefits immediately upon employment.

Benefit Amount

The Duty Disability Retirement Benefit payable to members is equal to the accrued Retirement benefit, with additional service credit granted to age 60. During the workers' compensation period, the disability benefit may not exceed the difference between the member's final compensation and the workers' compensation amount.

Form of Benefit

The Duty Disability Retirement Benefit will be paid monthly beginning at the effective date of disability retirement and for the life of the member. Upon the attainment of age 60, disabled retirees are transferred to service retirement status.

Non-Duty Disability Eligibility

Members are eligible for Non-Duty Disability Retirement benefits after completing ten years of service.

Benefit Amount

The Non-Duty Disability Retirement Benefit payable to members is equal to the accrued Retirement benefit, with a minimum benefit equal to 14% of final average compensation.

Form of Benefit

The Non-Duty Disability Retirement Benefit will be paid monthly beginning at the effective date of disability retirement and for the life of the member.

Duty Death Before Retirement Eligibility

The Death in Line of Duty Benefit is payable to the survivors of a member who died as a result of an injury or disease arising out of and in the course of duty.

Benefit Amount

The benefit payable to the survivors is equal to the survivors' weekly workers' compensation, converted to an annual basis.

Form of Benefit

The benefit described above shall begin upon termination of the survivors' workers' compensation period, payable as a life annuity. Children's benefits shall terminate upon attainment of the age of 21 years, or death, or marriage, whichever comes first.

Non-Duty Pre-Retirement Death Eligibility

The Non-Duty Pre-Retirement Death Benefit is payable upon the death of a member after earning eight years of credited service.

Benefit Amount

The Non-Duty Pre-Retirement Death Benefit is computed in the same manner as the Normal Retirement Benefit.

Form of Benefit

The benefit described above is payable as a 100% Joint and Survivor benefit to the surviving spouse.

Deferred Vested Benefit Eligibility

A member is eligible for a Deferred Vested Benefit upon termination of employment after earning eight years of credited service.

Benefit Amount

The Deferred Vested Benefit is computed in the same manner as the Normal Retirement Benefit, but it is based on credited service and Final Average Compensation on the date of termination.

Form of Benefit

The Deferred Vested Benefit will be paid monthly beginning at age 58 for New Plan members, and for the life of the member.

Optional Benefit Forms

Prior to retirement, a member may elect to convert his retirement allowance into a benefit of equivalent actuarial value in accordance with one of the optional forms described below:

- Cash Refund Annuity - If a member dies before receiving the total value of accumulated member contributions, the remaining member contributions are payable to designated beneficiary(ies) at the time of death.
- 50% or 100% Joint and Survivor annuity
- Social Security Level Income ("Equating Pension") - Any member who retires prior to age 65 may elect to have his retirement allowance actuarially equated to provide an increased retirement allowance to age 65, and a reduced retirement allowance payable thereafter. The increased retirement allowance shall approximate the sum of the member's reduced retirement allowance payable after age 65 and the member's estimated Social Security primary insurance amount.

Member Contributions New Plan

Each member contributes a percentage of Compensation to the Plan. The percentages contributed are as follows:
UAW ~ 3%; Teamster 214 ~6.5%; Teamster 580~6.35%; District Court Teamsters & District Court Exempt ~5.5%; NonBargaining & Executive Pay Plan ~ 6.5%
